The web site looks good. We are picking you up loud and clear down here in Inman SC. I have some good chuckles when I get a chance to listen to the show.

Meg Ryan Inman, SC

Hi, I didn't get this done yesterday - but thanks, I did hear the J. Buffet and A. Jackson you did for me, also I liked the Percy Sledge "Big Blue Diamond" you did before that one. I like all of his as well as Otis Reading. I enjoy listening and I do every week as I go home from work, about 40 minutes of it. Keep it up.
